- Completely self-contained
- Designed for indoor or outdoor use
- Top access, easy to clean filter system
- Water level referencing Weir Skimmer
- Waterfall
- Dynamic LED Light
- Built-in, automatic freeze protection
- Two person capacity
- Long life, dual speed pump
- 35 sq. ft. of filtration

Location and Setup

Installation consists of placing your SpaBerry in a suitable location, connecting it to an electrical outlet with the proper rating, and filling it with water.

Because your SpaBerry is completely self-contained, you can install it just about anywhere you wish . . . on a deck, patio, or even indoors. Just be sure to position it above ground, in an area with good drainage and on a level surface that fully contacts the bottom of the SpaBerry. A concrete slab is best but not required. You may choose to install it on a wood deck. If you choose to install your SpaBerry on a raised deck or indoors, we recommend you contact a licensed contractor to confirm the surface will hold a SpaBerry filled with water. Movement of your deck or slab may result in damage to the SpaBerry, which is not covered by warranty. Wherever you plan to install your SpaBerry, be sure the surface is flat and solid. Locate your SpaBerry so that the equipment is above grade and not subject to flooding. Water should always drain away from the SpaBerry. If you are placing your SpaBerry next to an obstacle, such as a fence or wall, be sure that you place the SpaBerry with the equipment compartment facing forward for easy equipment access. The cover locks must be drilled into the side of the SpaBerry so you will need access to all four sides in order to attach these clips.

If you install the SpaBerry indoors, the surrounding area should be waterproof or water resistant. Water may be splashed out during normal usage and when entering or exiting the SpaBerry. Luwa Distributing and SpaBerry are not responsible for any water damage, humidity damage to any indoor location for any reason.

General Installation Area*	Labor Amount
Curbside Drop-Off	\$ 125.00
Position Spa & Uncrate	\$ 225.00
